5:30 pm to 8:00 pm

Fairmont Hotel Vancouver

Let's JINGLE for charity. All proceeds from JINGLE are donated to Muscular Dystrophy Canada's youth program – **Bridges to the Future**.

Over 30 silent auction items (with a total value over \$8,000) are up for bid. Simply write your name and bid amount on the item's bid sheet. Each gift has a specified minimum bid increase amount. Gift tables will be closed in random order throughout the event.

Four local artists are featured in the live painting performance. Their paintings will go home with the highest bidder (once the paint has dried, of course).

Successful bidders will pay for their gift(s) at the registration table. Accepted methods of payment are cash, cheque, MasterCard, VISA, American Express.

Continue your holiday shopping at the Artisan Market.
